

MEMBERSHIP SEMINAR SPONSORED BY THE STATE COUNCIL AND SUPREME OFFICE March 23, 2019

February 25, 2019

Worthy Grand Knight and Brother Knights:

As I indicated in my last letter to you that the first half of this fraternal year, as it relates to Membership growth, was very challenging and below the prior year's new member intake. We have gained a slight increase in new members over the last two months however we're not yet at the levels where the State of Connecticut should be.

The State Staff has been working diligently on these issues and we are proud to announce that we are joining forces with the Supreme Office and scheduled a Membership Seminar on Saturday, March 23, 2019 starting at 10am at the Knights of Columbus Museum in New Haven with registration beginning at 9:30am.

This seminar, which will be directed by Supreme Representatives, will provide all councils in attendance with new ideas and new tools in assisting with membership growth. This seminar will also provide a new approach in conducting a parish membership drive. We will also be discussing the Emembership process and a demonstration of the Prospecting Landing Page, and how your council can get their very own page! It's a great tool for recruiting. The CT State Membership and Program Teams will be present to assist in any questions, concerns or thoughts you may have. Take this opportunity to help your council grow, so we are able to do even more to assist our Church, Community and our Youth. The State Council will raffle four, \$25.00 gift cards at the end of the seminar.

This seminar is open to all Grand Knights, Council Officers, Membership Directors and any other Brother Knight that wishes to attend.

NOTE-please reserve your spot with the Gary Hodgdon our Executive Secretary via email executive.secretary@ctstatecouncil.org before March 21, 2019. Walk ins are welcomed.

Vivat Jesus!

Fraternally Yours,

Steven J. Bacon
