Worthy Financial Secretary:

Section 19, Article 1 of the Knights of Columbus State Council Bylaws requires you to furnish the State Secretary with the names of your council members who have died between April 1, 2018 and March 31, 2019.

The names of the deceased members will be included in the State Council's Necrology Report presented at the Annual Memorial Mass during the 126th Annual State Council Meeting held the weekend of April 26-28, 2019 at the Hartford Marriott, Hartford, CT.

I ask that when furnishing these names, that they be **EMAILED TO:**

STATE.SECRETARY@CTSTATECOUNCIL.ORG

Please use the member's full name, and including any former/past titles of the Order that the member is entitled to use – i.e. Past Grand Knight (PGK), Former District Deputy (FDD), etc. Please ensure that all spellings are accurate and legible.

Councils not reporting any deaths will be listed as "No Report". To be certain that no council is missed; please submit the report even if no members have passed away. Simply mark the report noting "No Deaths".

Please contact me if you have any questions

Fraternally yours,
