

Knights of Columbus Connecticut State Council

Council Leader Information and Training Sessions

From: Matt McGrath, State Deputy

To: District Deputies, Grand Knights, Financial Secretaries, DGKs, Treasurers, Lecturers and other council officers

Does your council need help with -

Conducting more informative, productive meetings?

Running a Delta Church Drive (membership drive)?

Implementing the COVID Recovery Program?

Simplifying the processing of financial transactions?

Working with your pastor, clergy and parish staff?

Completing necessary Forms?

Regional Growth Director Ken Latham will hold information and training sessions through the state. Ken can help you to help your council run better, do more and better programs, and attract more new members. I urge you to attend a session.

Food will be provided.
