Why go to Enders Island?

- It is arguably one of the most beautiful retreat centers in the northeast

Can't I pray the rosary at home?

- Yes, and hopefully daily!
 - But attending the Living Rosary unites us with our brother Knights and their families in a profound and beautiful way.

Is it worth driving to Mystic?

- Always!
- A Pilgrimage at its best involves intentionally traveling as that's just as important as the destination.
- Our Church needs us to be a public example of what it means to live our Faith.
